LIVE THE INNOVATION

WHY REEF 998

REEF 998 redefines city living with the exclusive *Sunken Balcony concept with outdoor cooling*, blending nature, comfort, and innovation. Located in Dubai Land Residence Complex (DLRC), it offers direct access to key destinations within a calm, connected community.

With over 20 lifestyle amenities — including rooftop cinema, coworking spaces, and fitness zones — every detail is designed to enrich. Offering smartly planned units with elegant finishes, REEF 998 is where luxury meets value.

More than an investment — it's a lifestyle reimagined.

REEF 998

SUNKEN BALCONY INNOVATION

A Balcony Designed for Every Season. All Year Round.

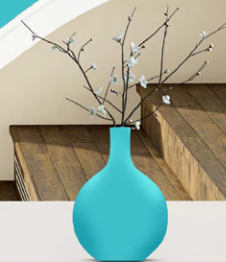

At REEF 998, outdoor living is no longer limited by the seasons.

Thanks to our globally patented Sunken Balcony innovation with integrated outdoor cooling, the traditional balcony is reimaged into a private, cooled retreat — allowing you to enjoy fresh air and panoramic views, even during the hottest months.

And the best part? Every residence at REEF 998 comes equipped with this groundbreaking technology.
